'April, come she will' – so sang Simon and Garfunkel all those years ago, which I always thought was just the sort of gypping of the girl in question that her parents quite possibly wouldn't want to know about, until I actually bothered to listen to the rest of the song and realised it was about the month rather than an easily excitable flamber who was on intimate terms with the warbling pair. And, indeed, come she (the month) will again, because here we are and it's time to launch the fourth instalment of *MO* Volume 79 onto an unsuspecting world! Reckon the would can handle it? Well, there's only one way to find out...

Michelle Thorne's SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Dear Michelle

I had hoped that I would lose my innocence when I started going to college. What I hadn't realised was that I wasn't innocent – I just hadn't had any opportunities! Coming from a small village where everyone knew everything about everyone had hampered me as I looked to explore my sexuality. Even when I had managed to get into sexy situations, the walls were thin, the beds squeaky and the neighbours' curtains twitched. There had been no escaping the sexual stranglehold on my life. I was 18 and still practically a virgin. I was desperate to lose my naiveté, so headed out to college inexperienced but very willing to learn.

College was a melting pot of opportunities. I found myself swept into a small gang of girls – one which seemed to attract more than its fair share of male attention. I don't know that we were any prettier than the other girls but by following Sally's lead, we were certainly seen as sluttier. Sally had a reputation and one that seemed to be particularly well deserved. She was everything my mum had warned me not to be. Oh, she was sweet and funny, particularly in front of parents and teachers, but it was hard to keep up with the way she went through men. That was why I was filled

with a mixture of excitement and dread when she dragged me over to intercept a couple of guys after a class, saying that she needed a "wingman". My mum wouldn't have approved but then she wasn't there to judge, thankfully.

Sally did the negotiating, such as it was, and I found myself going back to her house for sex. I'd heard about 'casual' sex but I'd never realised just how casual sex could be. I didn't even know which of the guys I was going to be having sex with. For Sally, it seemed that there wasn't much difference between offering out a cup of coffee and offering her body. As we left the campus, I was running to catch up in more than one sense.

I wasn't ready as we sat down but decided to do it anyway. It was scary but thrilling. Nick grabbed me and before I had chance to even take a breath, we were snogging right there in Sally's front room. Somehow it was worse doing it downstairs with the curtains open. Perhaps I was an 'upstairs' kind of girl. Nick wasn't a bad kisser but it was odd doing it on one sofa as Sally did the same with Callum on the other sofa. As Nick continued kissing me, he guided my

hand to his crotch and pressed. I could feel the hardness hiding in there and squeezed. Nick groaned happily and quickly fumbled with his fly. Before I knew it, his knob was in my hand. It was hard and hot and sticky, and as I moved my hand over it, Nick sighed with happy contentment.

"Bloody hell, Becca, you don't hang around!" My whole body flushed at Sally's exclamation but a part of me was pleased. She was impressed with me and watched as I pumped my hand faster and gripped tighter.

Nick groaned again. "That feels fucking amazing," he said. I looked down, fully expecting to see spunk spurting from the tip of his cock. I wanted to see that eventually but wanted a bit more fun first. I heard the zipper

as Sally undid Callum's kecks on the other side of the room.

Part of me wanted to watch her, to see what she was going to do. But part of me wanted to stay ahead of my slutty friend. Despite the open curtains, I bent down and took the head of

Nick's cock into my mouth. His hips lifted fully off the couch as he thrust upwards and he immediately began muttering thanks.

Dear Michelle,

Many, many thanks for the last issue of *Men Only* (Vol. 79, No. 3). I'm resting at the moment as I am knackered from all the tugging over the great photo sets. A fantastic start for the issue with Wanda. I defy any red blooded male not to have the urge to bolt his man fat over her fantastic tits!

It was great to see a return from Anita Pearl. From massive mammaries of the previous model, to small, perfectly formed ones. Sophia Knight was as beautiful as ever. Aruba has perfect eyes and lovely lips (both ends!).

For me the stand out (up) was Bunny though. Always had a thing for Asian women and she was right up there with the best of them.

And to top it off, you teased us with a glimpse of Holly in the next issue. I need to take my protein shake in preparation!

I don't know if you can better the models in this issue, and you have ten more issues to go this year!

Greg, Kent.
Michelle says: Glad you like the last issue, Greg – we'll do our best to equal or even better it this year some time!

MIA

Photos: J. Stephen Hicks

Mmm, what better way to kick off another issue of the nation's (and quite possible the entire universe's for all we know) longest running nudey mag for men than a fresh faced newbie? Tousled hair, skimpy undies and fishnet hold-ups – it's a winning combination in anyone's book, after all! So Mia, what brings you to the barely respectable pages of *Men Only* magazine this fine day?

"Hmm, well I started doing a bit of modelling when I got to college – everyone said I had the right sort of look for it – and before long it wasn't just lingerie I was modelling but myself without the lingerie as well! I figure a girl's only young and sexy for so long, so you might as well make the most of it!"

Quite right too – we only wish more students had this kind of can-do attitude – there'd be a lot less whinging about having to pay back student loans if more of them worked their way through college by getting their kit off and sharing their charms with the nation's readers! So how long to do think you'll carry on modelling for?

"Well, I've got two more years to go before I graduate, so I guess at least that long. After that your guess is as good as mine. Perhaps I'll still dabble now and again..."

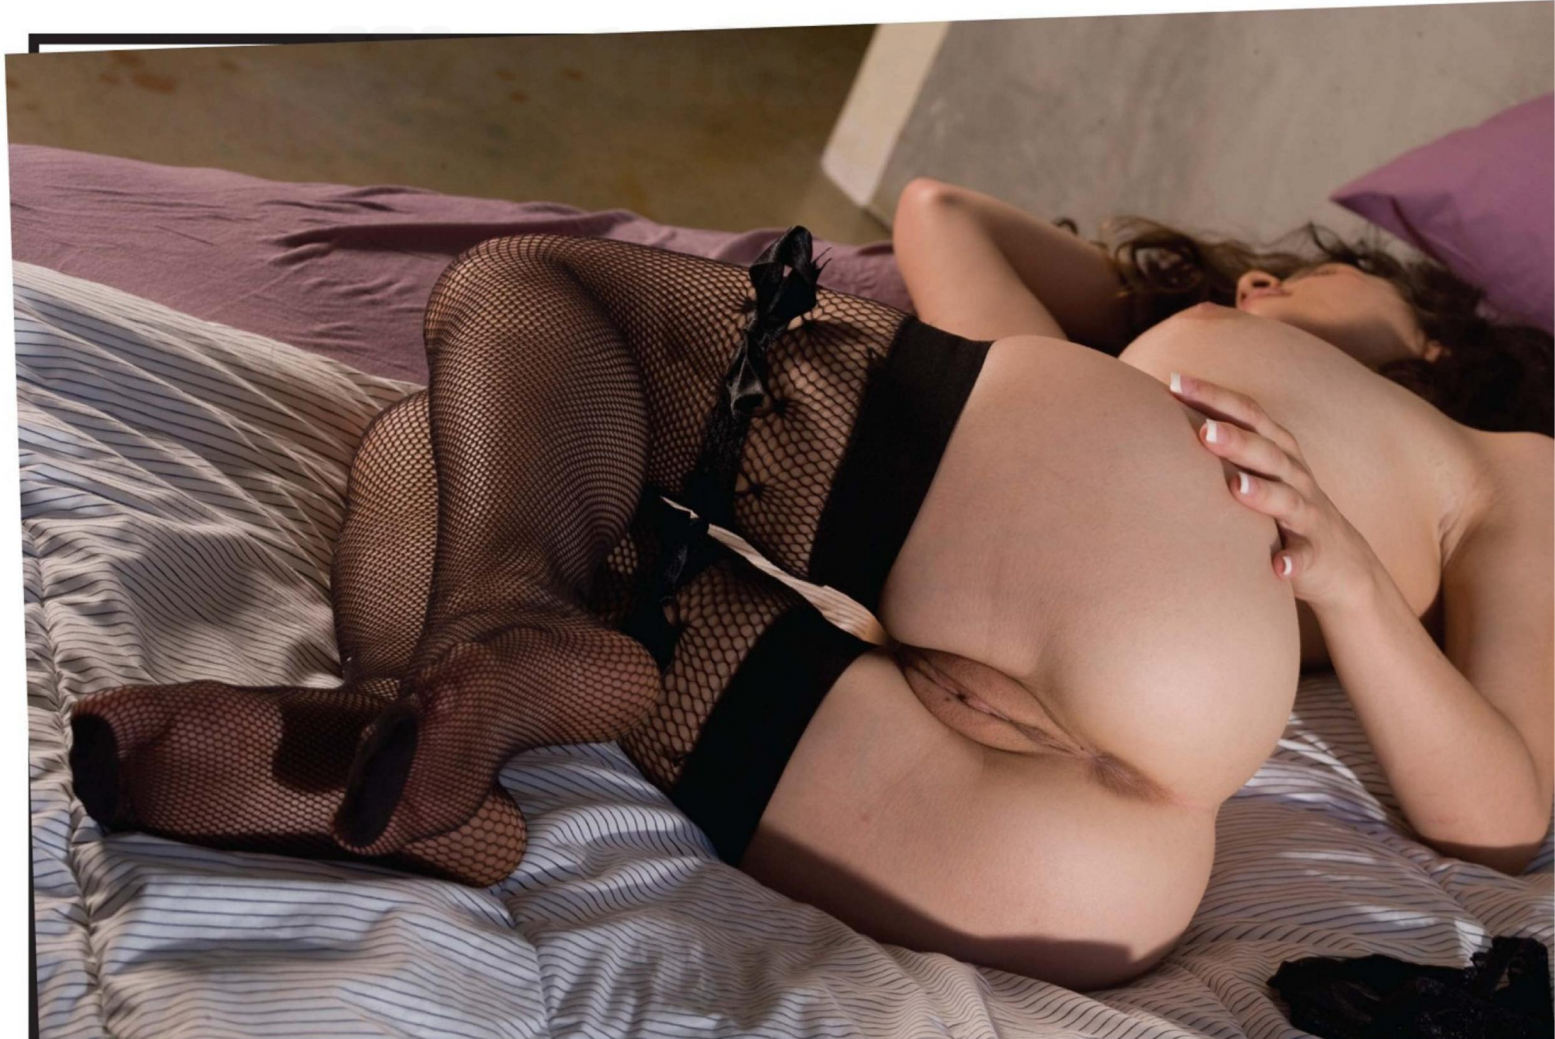

We hope you do – you'll be in the prime of life for a good few years yet, and it'd be a shame to waste them when there are so many of us who'd like to share them with you!

was standing on edge, as though he was drawing his fingertips down a blackboard, rather than over the moist cotton crotch of my panties. A single finger wormed its way into my underwear, sliding slowly along my hungry pussy before piercing my flesh in a most satisfying way. It felt amazing but a finger wasn't enough. I decided that Nick's cock was in the wrong hole. Nick made noises of protest as I let his cock slip from my mouth but stopped as soon as my loosened clothes fell away. The curtains were still open but I didn't care as I took my knickers off and exposed every inch of my flesh to three total strangers. I mounted Nick and heard a murmur of surprise from behind as I guided the tip of his

cock to the mouth of my pussy and bore down on him. I was in heaven as I dragged my pussy up and down Nick's eager pole. For his part, he just sat there, his hands on my hips as I fucked him, building up towards a couch-clenching orgasm.

It felt so good to finally let go, and to be able to make as much noise as I wanted as I experienced a violent series of nerve-jangling

"Every stroke of this new cock was delicious as Callum attacked my slot."

Dear Michelle,

It was good to see those vintage pics of Julia again in the latest issue of *Men Only*. As well as appearing in 55.10 she was also the centrefold in 55/06 – I still have that very issue in my collection! It's also good to appreciate the work of Joanie Allum again – she was the best in my humble opinion.

With regard to the rest of 79/03, Wanda is the stand out girl for me (in more ways than one!). The cover shot is fabulous and the photos of her removing her bikini on pages 6 and 7 are as good as any I have seen in *Men Only* for quite some time. Keep it up! Cheers! Ian, via email.

spasms. For the first time, I didn't care who heard or saw me orgasm and that added to the wonderful sensations.

"Sounds like you're having fun," Sally said, resting her face on her hands as she leant on the top of couch. "You could double your fun by lifting your hips." I didn't understand what she meant until I glanced behind me. Callum was standing there with his cock jutting out

from his body. My body shook with excitement. Two cocks? How did that even work? I wanted to find out. I lifted my hips, just as Sally had instructed and felt the couch sink as Callum mounted it and then me. Nick might not have been please as Callum sank his hungry cock into my pulsating pussy – but I was. Every stroke of this new cock was delicious as Callum attacked my slippery slot with frenzied strokes. It felt so different from the control that I had had when

Available in black or flesh colours. On sale now £15.45 from Sextoys.co.uk (Usually £18.49)

I couldn't wait to get my mitts on this little beauty – mainly because the missus has recently discovered a love of bum sex – and wasn't disappointed in the least. Designed to transform the wearer into a one-man DP machine, it's made entirely from soft TPR and has two straps – one that loops around your shaft, and a second that stretches around your balls – ensuring it stays in place. At just over 6" long with a silky, smooth coating, the shaft is slender with a sculpted head and realistic veins, making it an ideal toy for anal-beginners and those curious about having a threesome, alike. Oh, and my missus, of course!

SHIRI ZINN SWAROVSKI CRYSTAL GLASS DILDO

Available in amber and violet, from Evemadeawish.co.uk for £138.00

If you want a certain level of elegance in your sex toy, look no further than this range of handmade glass dildos by acclaimed designer Shiri Zinn – a favourite with celebrities like Kate Moss and Ivana Trump. Presented in a satin-lined case, each one is individually crafted from heavy, hand-molten glass (which can be warmed up) and made to order in the UK, so the product screams pure luxury. The undulating curves hit every spot perfectly, and the bulbous base is intricately adorned with delicate Swarovski crystals, meaning this toy is not only a winner for sexual pleasure, but a beautiful work of erotic art, too.

riding Nick. The contrasting style was electrifying and as Callum held my hips, my body promised an even more powerful eruption. With Sally watching, I let another orgasm fire through me, screeching with delight.

I'd never had one orgasm like that before, so to have two in such quick succession was overwhelming. I was spent but even as I sagged on the sofa, Sally made sure that I was the centre of attention. She stood in front of me and took a hold of Nick's cock. Callum looked like an outcast until Sally wrapped her hand around his cock and started pulling on it.

"Oooh, I've never done this before," Sally cooed as she wanked both cocks towards my face. I watched her, saw the concentration etched into her face as she worked both guys towards their orgasms. Then it happened – Nick cried out a warning and my face took the full brunt of his ejaculation as Sally aimed. My eyes were forced closed, but I heard Callum make a similar noise and my face was painted by the ejaculate from another orgasm. Sally for her part was laughing almost hysterically as she used both cocks to hose my face with cum. It was so intensely dirty that it was too much to bear. I masturbated, hard and fast, taking advantage of the excess sexual energy to provide another series of explosions, rippling out in delicious

waves from my pussy. As my orgasm faded, Sally used her fingers to scoop the come from my face. My eyelashes were heavy with spunk but I managed to open my eyes wide enough to see Sally suck on her fingers.

"I don't think I've ever met a girl as sexy as you obviously are," Sally said after I'd had a shower. "Can you can teach me a few of your tricks? I'm good at picking boys up but not so good at pleasing them."

She paused for a moment, deciding whether or not to tell me something important. "The fact is I'm still a virgin."

I smiled – maybe I wasn't as far behind every one else as I'd thought. "That's OK," I said. "I can see that you're willing to learn. That's what college is all about."

Becca, Warwick.

Dear Michelle,

I hope you get plenty of good feedback from readers about 79.03, because Bunny, Aruba and Natasha were gorgeous, not to mention beautifully (un-)dressed Anita. Wanda, meanwhile, was amazing, and so summery looking. All she needs now is for someone to wave a lingerie wand over her and provide us with a classy nylon shoot!

I can't have been the only one who recognized the Julia Guilda pictures – where on Earth does the time go? 55.10 seems like only yesterday. She was one of the models I really loved at the time – I wonder where she is today? I'm sure she's just as gorgeous as she ever was.

G.D, via email.

Michelle says: Well, it was 24 years ago, but I don't doubt Julia's still got something about here. If you're reading this, Julia, please drop us a line!

P.T.O for more...

Here at *Men Only* we're all for a bit of cross-channel rivalry, but even we'd have to admit there have been some great things to come out of France over the years. There's been all the cheese, for starters, as well as any number of rather saucy films starring pretty girls – and that's without even going into their massive contribution to the world of pop music (erm, alright, Daft Punk then).

Still, our all time favourite French export has got to be the stupendously rude and swelteringly hot Anissa Kate. Anyone who's seen her on film will know exactly what we're talking about, but she doesn't look too shabby in stills either, does she? Just the sight of those wonderful boobs and the way she said 'Allo!' in her sexy French accent would be enough to do the trick for most men – it certainly did for us!

Real Life
Adventures

Helen sounds like the ideal partner to take rambling!

Once last winter was over I wanted to try something different. I had just moved up north and wanted to make new friends so I joined a hillwalking club I saw advertised in a shop window.

I like to think of myself as a good looking girl. I have dark hair, a slim figure and nice pert boobs. I have never had much trouble attracting male attention but since moving to the town where I live all the blokes I'd met were either in a relationship or else seemed to be gay!

So the hillwalking club seemed an ideal way to meet new people from nearby towns. Besides, I enjoy being outdoors.

On Sunday the club members met at a beautiful spot at the foot of a mountain. The route we choose would take us through a small forest and then along the side of a small stream and up the hillside to a point on the side of the mountain from where we were promised some spectacular views.

Luckily there was more to look at than the countryside! Once we were all introduced and had set off I walked in step beside a giant of a man called Bill. Bill was handsome in a rugged outdoor way and his hard fit body had my panties wringing wet just thinking of how he would look stripped naked. He seemed happy to walk with me

“He buried his finger deep inside my pussy as his other hand played with my tingling nips.”

and within a few minutes I found out that he was single and very receptive to flirtation.

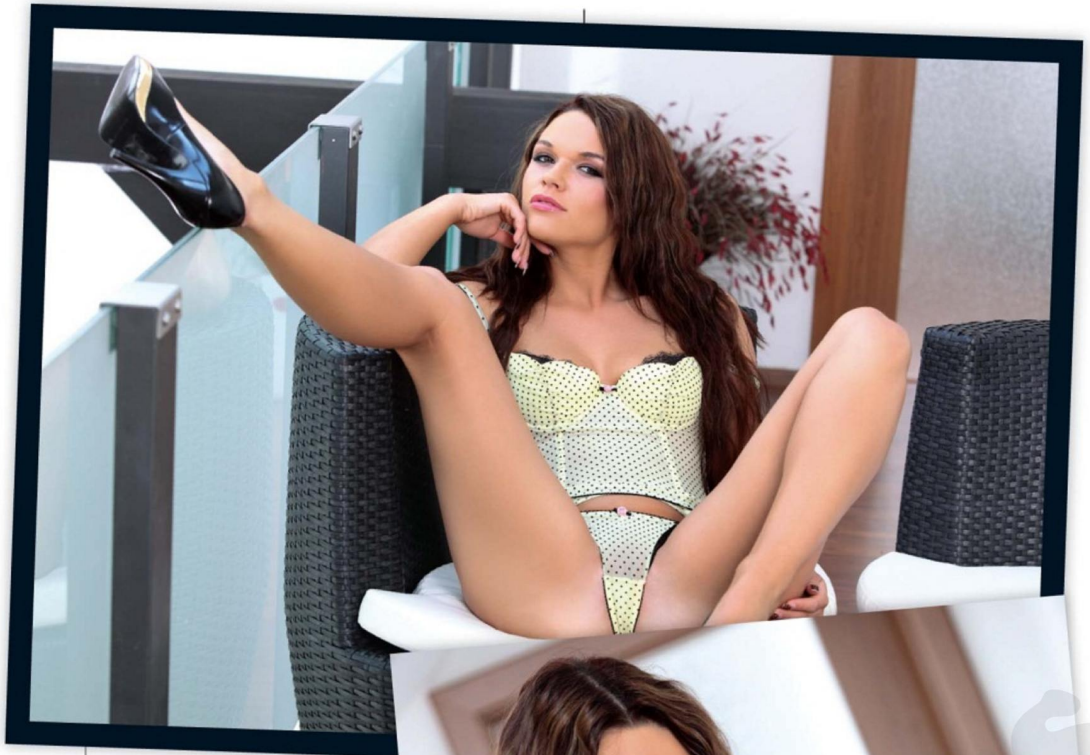

After the first few miles we two hung back a little and once the others had moved out of sight we pushed our way through the light branches of the trees into the woods, leaving the path. The air was still and we could hear the voices of the others fading. Bill pulled me into his strong arms and kissed me passionately. His amorous approach almost took my breath away, but I was feeling so aroused by his huge frame that I vigorously

returned his advances.

My hands groped down the front of his jeans as he kissed me hard, pushing his tongue inside my mouth. My pussy tingled with anticipation as my fingers wrapped around his thick shaft. Bloody hell, his cock was such a fucking whopper that I felt like I had a winning lottery ticket! Actually I was a little scared that it would not fit inside me.

I did not get much time to worry about it, though, as Bill's hands seemed to be everywhere at once and before I knew it I was standing with my jeans around my ankles while he pulled my T-shirt over my head.

It was still early in the year and the cold air stung my skin making my nipples erect. I

rubbed my goose-pimpled arms while he lowered his jeans and kicked off his boots. He buried his finger deep inside my pussy as his other hand played with my tingling nips. His coat was spread out on the grass, and, like a real gentleman, Bill lowered me gently on top of it. Spreading my legs he pushed his thick cock-head against my slit and began pushing it slowly inside me.

He was thick as well as long and it felt like a very tight squeeze so I wriggled around under him trying to get comfortable. Sensing my discomfort he asked if I was okay, but by then I had begun to enjoy the sensation of his larger size and told him I was fine, it was just that his was just the biggest thing I had ever had inside me, but that I was beginning to love it!

He smiled and kissed me, then slowly started rocking back and forth inside me. It wasn't really thrusting at first, just rocking, the gentle motion beginning to get me all juiced up. As his huge throbbing cock began slowly stretching me out, I relaxed enough to experience the real pleasure of such a big cock. Seeing my excitement, Bill started moving more, his hips grinding harder as I slowly started grinding back against him.

He lifted himself off me, propping himself up on his hands and asked if I was ready to really go for it. I smiled, and, tightening my pussy muscles around him I began squeezing his cock harder. He gasped, and I told him: "Yes! Go for it!"

He moved his hips back, withdrawing about halfway, then slammed it back in. As he thrust, I contracted my muscles, making him

"Tightening my pussy muscles around him, I began squeezing his cock harder..."

shudder. He was really big, it was a monster of a thing, and being in the outdoors made the whole experience all the more exciting. I totally lost all inhibitions and raked his back with my nails as I thrust my pussy up to meet his huge hammering rod.

Consumed by pure lust I cried out encouragement, yelling at Bill to really fuck me! Bill grinned down at me as he thrust again and again. He teased me by not going very fast at first, but eventually he sped up until he wasn't really withdrawing that much,

but was pounding against me, hard and fast. He pumped more and more quickly, and I tried to keep up, but eventually I just gave up and revelled in the feeling of his huge, stiff member pounding into me, his pubic bone slamming into mine.

I finally couldn't take it any more, and as I felt my orgasm ripping through me, I wrapped my legs around his back and wailed as he continued thrusting, ever harder. Shuddering as I came repeatedly I bit his shoulder in an effort not to scream too loud. Just on cue, Bill gave one last, extra hard thrust, straining against me, then with a low moan he nearly collapsed on top of me, his come filling my pussy.

I caressed the back of his neck, and squeezed his softening member inside me as we fought to regain our breath. Then we dressed quickly as we heard someone in the distance calling out to know if we were lost!

Since then our hill-walking days out have been one of the highlights of my week, and come rain or shine Bill and I always make sure we get a little private time together...

WATCH PEOPLE EAT, COGITATE AND LAUNDER THEIR SMALLS BRAINWASH

www.brainwash.com/cameras.htm

The story behind this site is one which the webmaster thinks is especially thrilling and which is recounted in painfully lengthy detail in the "About" section, but basically one day in 1987 this wealthy woman called Susan Schindler who wanted to start a nightclub in the South-of-Market neighbourhood of San Francisco was thunderstruck, as the rich so often are, by her own genius: stuff the nightclub, I'll open a café with a launderette in it, where people can eat while the skidmarks are removed from their smalls by a battery of washers and dryers.

And so was born "Brainwash" – the name partially inspired by the fact that Ms Schindler's creation is stationed across the street from the building in which Stockholm Syndrome socialite turned terrorist Patty Hearst was held for ransom in the sixties until she chummed up with her evil captors.

Twenty-seven years on from Brainwash's inception, you can watch all the comings and goings in the café and launderette in real time – who launders what, who eats what; which employees behind the counter are bored out of their mind and sullen. You can even watch

people rummaging through their dirty underthings and holding them up to the light for inspection. What makes this nonsense stand out, however, is the high definition quality of the two ceiling-mounted webcams' video streams. And while you might find

the "action" boring, it does have an almost hypnotic fascination. I got very annoyed, for example, not to mention disgusted, by the filthy eating habits of a bloke in the corner stuffing a burger down his neck with both fists while talking.

An entertaining and also fairly disturbing site showcasing the comments some porn addicts leave after watching streaming sex video clips on Pornhub.com. "Her anal warts need some liquid nitro action" and "Not bad. Usually I offer women money to see their tits so I can see the shocked and offended looks on their face which I remember as I run back to my car to jack off". Not, in other words, a patch on the letters we get sent at *Men Only* about all our lovely girls!

ANORAK RADIO LISTEN TO A BUNCH OF SHUNTS

www.railroadradio.net

Train spotting is not just a drugtastic Scottish film from 20-odd years ago. It is also a hobby that involves collecting sightings of trains. And wearing an anorak. A train spotter (or "anorak") will typically focus on a certain set of trains or moving stock and try to "spot" as many in that category as possible.

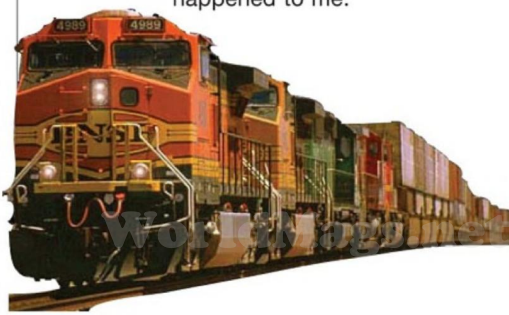

Anoraks share information about the movements of trains with other anoraks and usually carry a "data book" in which they mark off the railway equipment they have spotted. They also carry a notebook and pen (or even a tape recorder) to note their sightings, possibly a camera to take pictures of trains, and nowadays mobile phones with which to communicate with other anoraks regarding the movement of trains. This is all factual stuff I am telling you. This is what they do.

Recently, the Internet has invented many new and thrilling roles for itself in trainspotting. Anoraks may maintain electronic records of trains they have spotted, and railway information can be made available to the anorak community on the Internet. Awesome new websites

even permit anoraks to cross-reference sightings and share train photos.

Now the Internet has provided American anoraks with this website, which allows them to listen in to all the radio traffic going on between the trains they spot! The live audio streams which enable them to do this are divided into rail companies and regions, with blokes shouting "Goin' into the tunnel now, Hoss" and "Okay, good buddy, see ya on the other side"... which also sounds like a verbal exchange doomed to end in two locomotives colliding and a lot of dead bodies leaking ketchup.

You may also feel, like myself, that listening in to the cabmen is very much on a par with the whole exercise of trainspotting itself, and nod off. That's certainly what happened to me.

ANGEL

Photos: RB Kane

Did you spot the deliberate mistake last issue (no prizes if so, by the way!)? Yes, we said we were including a set by ace lenswoman RB Kane, and then we didn't! Well, here we are making amends with this rather joyful set of the wondrous Angel Dark cavorting around on a swing like only a carefree girl with her gusset pulled to one side can! But doesn't being on a swing make you feel a bit sick, Angel?

"Ah, yes, it actually does a little bit!" she confesses. "When I was a little girl I used to love playing on the swings – we used to go really high and keep it up for ages – but this is the first time I've had a swing for years, and it's making me a bit nauseous!"

Hmm, yes, something to do with changes in the brain, we dare say – still, we don't want you feeling off colour, so let's carry on the shoot with a rather more grown-up prop like a garden chair...

"Phew, that's much better! I think from now on the only kind of swinging I'll get up to is the kind that involves loads of stiff cocks and juicy fannies for me to play with!"

Ooh, now we're getting all giddy just thinking about it!

Amy Brooke

Amy Brooke is a petite 5'4" blonde with a round juicy ass and a trim 36C-24-36 figure, who always seems to be in the mood for some wild sex. And with wild sex, we mean some of the craziest circus acts not seen in American porn since **Ashley Blue** and **Belladonna's** days.

Just like the aforementioned actresses, Amy focuses the majority of her scenes on anal sex, often mixed with bondage and massive insertions... and has become unbelievably popular. In spite of her small frame, she often takes on several guys at once, with a large number of scenes featuring double penetration and even double anal. She also seems to have a knack for major squirting and massive orgasms.

Born in 1988 in Chicago, Amy was a cheerleader in high school. She also waited tables at a pub and worked for two years as a marketing manager at a credit card company before going the porn route.

Who would have thought that such a slender girl is a world class athlete with stamina to last a lifetime! She has performed in close to 200 titles since 2009, an impressive number. From the looks of her taking on all these cocks, she sure can handle the pressure!

What was your sex life before you got into porn?

Crazy. I was the horny girl next door who had a lot of group sex. My boyfriend at the time was interested in trying a threesome, so that's how it started. Eventually, I liked it even more than he did, and I became interested in multiple partners too. I do love being filled up to the max. There would be orgies at my house where I usually was the only girl.

So do you still date the same guy?

No, I didn't feel like I needed him anymore. I'm totally into gangbangs these days, and for that, it's better not to have a boyfriend.

How many guys have you had at the same time in your

"I have always used this job to my advantage, to try out new extremes that I haven't done in my personal life."

personal life?

Oh, I don't know. Maybe ten? But it's only possible to handle six at the same time. Three cocks between your legs, at best, plus one in your mouth and one cock in each hand...

So you were already very experienced when you went into porn?

Yes, I was extremely skilled, and very freaky. I was always open-minded, always down for anal. My first scene in the industry was an anal scene, too.

So there was none of that usual beginner's jitter?

Well, I was nervous about the camera for sure, but not the sex or getting naked. I think I have

gets what they need without getting greedy...

Do you enjoy watching porn?

Sure. I usually play my own movies if I'm at home with a new date. I think it's better if the guys see for themselves what I do for a living, rather than hearing gossip from the neighbours. Plus, it gets the fellows very excited and ready to fuck!

What's the biggest misconception people have about you?

People often ask me if I'm on drugs when I perform, but I don't do drugs, nor do I drink very much. I actually lead a very healthy lifestyle. So there are no smoke and mirrors when I perform, what you see is all real. I'm just high on cock!

So you can always climax on set?

Pretty much every time, yes, and often several times. But I need to be fucked very hard to squirt.

always used this job to my advantage, to try out new extremes that I haven't done in my personal life.

Such as..?

Double and triple anal penetrations and every kind of dildo play you can imagine. I learned how to squirt. Some things I didn't know I could actually do, I've done on film...

Is there a limit of how many guys you can take on?

No, as long as they stay hard I think I can find a place for their cocks, ha! But I'm not going to lie; more than five or six gets a little tricky unless the fellows are very experienced. It takes a bit of planning so that everybody

What do you do on your days off?

Basically I stay in bed all day, watch TV, eat, play on the computer and update my website. I often dress up and go out to restaurants or bars at night, though. I like socializing.

Do you have any porn idols?

Sandra Romain and Bridgette Kerkove were really good at what they did; both were very dirty girls. Especially Bridgette with those chopsticks up her ass. I never had the opportunity to meet them, obviously, but I used to watch their movies in my teens (*Ahem, 'late teens', right? - Ed.*).

What would you like to do when your porn career is over?

Oh, I never think about it. I have never regretted getting into porn, and I don't even know what else I could do. I'm going to stay young-looking with plastic surgery if I need to, so that I can have a long career. I just want to do this!

Well you seem like a natural to us!

LEXI

Photos: Twistys

WorldMags.net

Wow – Lexi's one of those models who just seems to get better and better every time you see her, isn't she? She always had that naughty glint in her eye that let you know that she knew exactly what was on your mind (never a hard thing to do when you're as sexy as this, mind) and that the very same thing was on her mind as well – but she seems to have blossomed into one of the horniest girls in the country right in front of our very eyes. So what does she put it down to?

"Oh, I don't know. I guess as you get a little bit older and out of your teens you become a bit more comfortable with your sexuality and confident about who you are. Thinking about it, though, I was always pretty comfortable with my sexuality!"

Yes, we seem to remember you were! Still, perhaps there's something in what you say – and we can't wait to see how hornoring you're looking in another year or two!

KEIRA

Allow us to introduce Keira Knight, the second in a trio of home grown honies that make up the backbone of this issue! She's a Londoner (insofar as anyone's a genuine Londoner these days!) and was rather excited about the whole thing when we asked along to Paul Raymond Towers for this shoot. Still, if she had any stage fright, she didn't show it, and as soon as we stuck her in front of the camera she was off – as were her knickers!

So has she always had a bit of an exhibitionist streak, we wondered...

"No, I was actually very prudish when I was younger!" she laughed as she pinched her nipples and gave us a sly look. "I was very self-conscious and used to try and keep covered up as much as possible for years."

Oh – so what happened to change things?

"My first boyfriend, basically. As well as being really into shagging – like most 18 year old lads, I guess – he used to really love just exploring my body and feasting his eyes on every inch of me. It felt pretty strange to begin with, but as he always used to end up going down on me and eating me out till I came, it wasn't that long before I kind of got to like the whole thing!"

Well, we can't really blame him for wanting to feast his eyes on your body – we're developing rather a soft spot for it as well!

Hunger Games: Catching Fire

Lions Gate

DVD
of the
Month

8/10

Tweenie book sensation *The Hunger Games* trilogy hasn't quite hit the loopy heights of *Harry Potter* and co, but it's still to be found on a good many shelves across the globe, despite the fact that really it's a bit of a Battle Royale rip-off that's been tweaked to give it a young adult (and female) appeal the Japanese film franchise was never going to enjoy. And now, lo! – the film adaptations are two thirds of the way there as well. So what's this one like...?

Once again, Jennifer Lawrence returns to the role of Katniss Everdeen,

the plucky archer picked from obscurity in the first film to take part in a fight to the death with a selection of other comely youths from a dystopian future United States. And despite having survived the first game she's only made to do the whole thing all over again, this time against a variety of (some rather elderly) former winners. What a swizz! Still, this time round things aren't quite as they seem – is Donald Sutherland's iron grip on power starting to loosen?

A bit of a re-tread, frankly, but an action-packed eye-pleaser for all that!

The Pit And The Pendulum

88 Films

OK, you can probably tell from the cover and the still, but just to be clear, this isn't the vintage Roger Corman/Vincent Price flick – and in fact bears very little in common with its namesake. Nor does it have that much in common with Edgar Allan Poe's original short story. Still, what it does have is Stuart Gordon (of *Re-Animator* fame) at the helm, and plenty of gore and nudity! Set during the Spanish Inquisition, it's a suitably stomach-churning and unsettling torture-thon and features a cameo from Oliver Reed, no less. A very welcome DVD release for schlocker fans!

Viva

Shameless

After a beery night out you can't beat a good exploitation flick from the 70s, and to begin with this looks like a solid enough example... except that it's actually a 2008 re-imagining/parody of the genre. Think the movies were always a bit sexist? Well, so they were, but this time round the whole film – which revolved around a bored LA housewife in 1972 – was written, directed by and stars (in the role of Viva herself) Anna Biller. It's quite an oddity, but a dazzling one, that'll whisk you along at quite a pace as you follow Viva through her multicoloured and trashy early 70s sexual odyssey.

The Butler

Entertainment In Video

A human-interest story from *The Washington Post* and published as part of the paper's Obama victory coverage recounted the life of Eugene Allen, a black butler to the White House who served eight presidents over 30 years. Here Forest Whitaker, plays out a fictionalized version of Allen's life and career with stiff submission; a man of immaculate appearance and propriety burning with passion beneath.

It's a solid story, but although it has some moments of wit and poignancy it feels a little flat, and despite Whitaker (and Oprah Winfrey) it's not quite as great as it should have been.

Doc Martin Series 6

Acorn Media

Ah, good old Doc Martin! It feels like he's been grumpily going about curing Cornish folk for donkey's years now, and in fact the character's been knocking around in one for or another since all the way back in 2000! Let's face it, this is the sort of thing Sunday evenings are designed for – rustic peculiarities, an irascible lead and a bit of heart-warming towards the end to make sure we're not in a bad mood before confronting the fact that the next day's going to be Monday! Anyway, this series sees Doc Martin Clunes getting married, but even that doesn't put much of a smile on his face, the miserable git!

GAME

Metal Gear Solid V

Konami
PS3, PS4, X360, XBOX 1.

OK, look, you're going to have to pay attention here... *MGSV* (subtitles *Ground Zeroes*) is not so much a sequel to the original *Metal Gear Solid* as a prequel, and is set a few years after the action that took place in *MGS: Peace Walker*. Rest assured, there wasn't too much of your actual peace in that game, and things continue in a similarly killy way this time out. This time it's set in 1975 (the entire franchise so far spanning fictional events from 1964 all the way to 2018), but it's not all about wearing loon pants and grooving around to funky tunes – there's rather

more stealth and death involved than that. You play Snake – voiced by Kiefer Sutherland – whose job it is to sneak into some sort of proto Guantanamo Bay style camp in order to rescue a couple of characters who cropped up in *Peace Walker*. There's plenty of scope to hone your stealth and weaponry skills, and a couple of nice touches like bringing your mobile phone into play. On the other hand it's not worth setting aside a week or two, because the whole mission can be completed in a few hours. Still, it's good while it lasts...

FULLY COVERED

As great fans of your magazine, my boyfriend and I have a tale that I'd like to share with your readers. I work on the reception of a large insurance company and since a lot of guys come in and out of the building every day I get to chat and even flirt with them.

One that really took my fancy was a guy called Jason. I'm only 22 and he's a good 15 years older than me but despite the age gap, there was something about him that I really liked. I didn't think much would come of our constant flirting as he was married but everything seemed to fall into place when his marriage hit the rocks.

He took a few days off work when his wife left him, and there happened to be some important papers that needed signing. The

boss was going to get a courier to drop them off with Jason, but I stepped in and suggested I take them round to his house since he only lived round the corner from me.

I made sure I looked my best when I called by his house. I think I've got a good body with a 34C-24-34 figure so I complimented it with black high heels, my best suit with

my sexiest black underwear underneath.

Jason was expecting me and let me in. We made small talk about work and I didn't think it was going anywhere because he seemed a bit glum, so I bit the bullet...

"I could cheer you up if you like," I told him.

I moved forward and put one hand on his trousers grabbing at his

cock. He looked a little shocked but before he could say anything I was kissing him, pushing my tongue down his throat.

Wanting to please him, I was going to do anything he wanted. I dropped to my knees in front of him, unbuckled his belt and pulled his trousers to the floor. His cock was already rock hard as I pulled it from his boxers. I set about sucking it; I licked the sides of his shaft and sucked on his balls. I sunk my face down to take as much as I could in my mouth. He tasted wonderful against the roof of my mouth, as I swirled my tongue round his shaft licking the drops of pre-come from his jap's eye.

Jason was by now fondling my tits getting my nips nice and hard. I could feel my cunt starting to ooze sweet juices and I wanted him to fuck me. His cock twitched once and

sphincter. His cock was rock hard and it felt enormous as he squeezed it into my arse. I took several deep breaths as he buried his cock deep inside me. I reached under myself and started to finger and play with my pussy, my whole body buzzing.

"I'm going to come!" he called just before a great gush of pleasure washed over my body and I came

on my hand. To his surprise I pulled away from his cock and span around to replace my arsehole with my mouth. I sucked him and opened my mouth just in time to have him unload. I gulped it all down because I didn't want to waste a single drop, much to his satisfaction.

This first fuck was just what he needed to get over his marriage and just what I needed to ensure my sexual gratification. I hope you print this letter because it will make our relationship in the bedroom a great one. Cassie, Stoke.

a small streak of come shot into my mouth. I gripped his cock hard to stop him from coming, much as I'd have been happy to swallow the lot.

Standing up, I kissed him before demanding, "fuck me, please!"

I slipped out of my skirt and panties, releasing my tits from my bra so that I was now stood there in only my high heels. It was too much for Jason as he was out of his clothes in a second. I got down on to all fours, right there in the hallway. Looking over my shoulder at Jason I asked him what he was waiting for.

He was soon behind me, stroking his cock along the entrance to my sopping wet hole. I looked back and told him to stop teasing me and fuck me, and with that he sank his cock deep into me making me sigh with delight. Then he pulled out and started building up a nice rhythm pumping my pussy. It felt every bit as good as I imagined it would. I felt so dirty but I didn't care because I wanted him to want me. I felt him push a finger into my brown hole and bit my lips as he probed my rear.

"Give it to me, fuck my bum," I pleaded.

He pulled his cock out of my pussy and placed it at my

GLASS MATE

Last Friday, much like any other week, the lads and I met up in our local for a few bevvies and a spot of bird-watching – which usually involves checking out any new talent, as between us we've had most of the locals! We were all surprised to find Mitch, the landlord, had hired a new barmaid for us to ogle over. She was an attractive brunette with a shapely figure and fabulous legs, kitted out in a revealing low-cut blouse and a short, tight black skirt. She looked lush in her uniform, but there was something else that attracted me to her.

At first I couldn't place it, and I found myself watching her closely as she picked up the empties and wiping the tables. One of my mates called her over to order a round of drinks, and as she bent low over our table to collect our glasses I couldn't help focussing

on her firm tits, which were almost falling out of her top.

As she glanced across the table to make sure she hadn't missed any empties, she adjusted her glasses and our eyes made contact. It was only then that I realised what it was that was getting me going – it had something to do with her specs. They made her look like a 'nice' girl, contrasting brilliantly with her slutty outfit. I could feel my dick harden as I looked into her eyes and her glasses slipped down her nose a fraction. When she looked over her frames at me and smiled, my heart started pounding. I simply had to ravish her – and soon.

I brazenly asked her what time she finished work and if she wanted a lift home. To my amazement, she accepted. For the rest of the evening I contented myself with watching her moving around the bar, bending low over the tables as she worked, flaunting her delicious

figure and occasionally glancing at me over the frames of her specs.

It was time for last orders and, as the lads began to leave, she asked if I would wait for her in the car park. Five minutes later she breezed out of the pub, hips swivelling, every sinew in her calves defined by shiny black shoes with precariously high heels.

She slid into the car, introducing herself as Pam, but when I made to turn the key in the ignition she asked what my hurry was. Smiling seductively, she leaned across, and immediately her agile digits began to unfasten my flies. Suddenly, one of her hands was inside my boxers pulling out my dick, which was now as stiff as a poker! She peeped up impishly, her eyes sparkling behind her spectacle lenses. The anticipation of her soft lips enveloping my prick brought a tight band of excitement to my groin, and as

“Her legs were parted and my fingers found soft, wet flesh.”

she squeezed my agitated prong it was all I could do to keep from exploding right then.

The instant her mouth encircled my chopper I knew that she was good. Her lips teased my sensitive helmet while her fingers slid under my nads. She began massaging the deep creases of my crotch, and, ignoring my impatient member, she nosed between my balls, licking them one by one. My knob quivered against her forehead, and when she held my prick to guide it into her warm wet mouth, she thrust me straight into the realms of pure ecstasy.

My cock swelled to bursting as she rolled it languidly between moist lips then drew her teeth back slowly along its length. My rod stood up like a gorilla's thumb and I could feel the blood coursing through every vein. Gently she drew my todger deep into her throat until her nose nestled in my groin and I could feel the edges of her spectacle frames pushing into my flesh.

I told her I was going to come soon, to which she responded by me furiously into her face, smothering my helmet with tiny, frantic licks. Looking deep into my eyes with a penetrating gaze, she manipulated my tool in her delicate hand, and waves of sheer unadulterated pleasure overwhelmed me. My hot spunk hit her upturned face, splashing her lenses with globules of thick white cream as she peered at me. This was one seriously hot chick.

Ever the gentleman, I took off my shirt, gave it to her to clean her face with, and asked where she lived. It was a fair distance, so I suggested we stop off at my place for coffee. She agreed, plainly knowing just what I meant, and I drove home with a keen sense of anticipation. When we got there I was surprised at how quickly she made herself at home, dropping her knickers virtually as soon as we were inside the door. I felt between her legs, desperate to touch

her pussy that I knew would be sopping wet, as she undid my fly.

I took her in my arms and kissed her deeply, pushing my hard erection against her. Then, on impulse I ran my tongue sensuously around her

frames. That must have done something for her, as she kicked her pants from around her ankles and parted her legs. I positioned myself in front of her pussy before impaling my tool to the hilt, making her

squeal.
Holding myself

inside her snatch, I told her to wrap her legs around my waist, and then I carried her to my bed.

To my surprise, Pam immediately rolled over on top of me to take the initiative. Sitting astride me, she forced herself down hard onto my upright weapon. My hands moved to her breasts, cupping those delightful orbs and teasing her flint hard nipples until my caresses and carefully spaced thrusts brought her to the brink of

“I grabbed her arse, squeezing and pulling her harder against me.”

climax. She exploded into orgasm, her hair tumbling over her glasses as she rode me furiously. The sheer abandonment of her body movements took me over the edge almost simultaneously, so that I spurted a stream of warm seed deep inside her.

As we lay entwined in a state of pleasurable exhaustion, both of us sinking towards sleep, Pam removed her glasses to lay them on the bedside table. I arrested her hand and tenderly returned her glasses to the bridge of her nose – a gesture that was met by a comprehending smile. I'm meeting her again after work tomorrow, but somehow I don't think you need to wish me good luck! Spexy Stu, Aylsham.

Look out folks - something wicked this way comes! That's right, it's the latest slew of scruff to tumble onto our palsied reviewer's desk!

Big Tits At School 18

Brazzers

Cast: Lisa Ann, Audrey Bitoni, Franceska Jaimes, Monique Alexander..

4/5

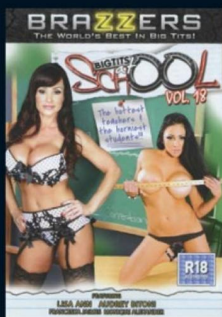

Oh dear, Lisa Ann's made a big mistake on her first day of a new job - she's going to be running a class in a prison to help the inmates better themselves, and she's only gone and worn an outfit that shows off her massive boobs! Then she perches on the desk, crosses her legs and shows off her stocking tops as well. The cons don't really respond to her educational overtures, and instead gets her knockers out for them! Lordy, if it really is like this in the can across the pond, no wonder all the jails are bulging at the seams! Three horny convicts and one horny big titter, well you can probably fill in the details yourself, can't you? She's soon spreadeagled on the desk as one cock after another plunders her (nicely bemuffed) snizz, and then it's DP time. Well, an airtight Lisa Ann is not something to be sniffed at, and as an opening scene this one certainly did the trick for me!

Audrey Bitoni's not the teacher in here scene - she's meant to be on the receiving end of some knowledge (erm, the history of Polar exploration), but she's soon on the receiving end of a pronging instead, courtesy of her harassed prof.

There's some great squelching as he slams into her, and when her boobs get a basting it's no more than she deserves.

Booking Monique takes an eye-pleasing boning (more good sounds and dirty talk here as well) before big clitted and titted Franceska rounds off the quartet in fine style. Another tit-tastic release from the ever-reliable folk at Brazzers.

Gina's Harem

Viv Thomas

Cast: Gina B, Eve Angel, Peaches, Zafira, Hannah Hunter, Nesty, Judy Nero etc.

Gina Boko was one of Viv's stalwarts a few years back, so it's good to see her back in the saddle again, as it were, in a lesbo-tastic offering that features no fewer than 10 other VLT faves (we couldn't fit them all in on the left there)!

As is so often the case at Viv Towers, we walk in just as the sapphic action is getting underway, with Gina, Peaches and Zafira (what a blistering trio!) are just snuggling up on the sofa. It quickly turns out that Zafira's the centre of attention first, with the other two variously fingering, licking and finally ramming with a vibe her twin nether-apertures. Oh, and then Gina and Peaches have their go's. Blimey, this is a sizzling opener, and anyone who says lesbo flicks are just for girls (yes, vicar, I'm talking about you) clearly don't know what they're on about!

The next few scenes are there or thereabouts as well, with the likes of Hannah Hunter and Cathy Campbell savouring Gina's ladybits, but the climax of the film is a stonking 45 minute, 7 girl lesbathos. You don't see one of those every day, do you -

The Shadow Of A MILF

Harmony

Cast: Jasmine Jae, Cathy Heaven, Valerie Fox, Holly Kiss, Eva May.

Hmm, I'm not sure what there is about the shadow of a MILF that marks it out as different from the shadow of any one else. Perhaps it's a bit curvier round the hip department? Sadly this film didn't do much to enlighten me on that front, but it did (crucially) keep me well-entertained for nigh on two hours with plenty of mucky sucky and fucky action.

Jasmine Jay, who boasts a pair of breasts that could probably star in a movie of their own, is the first to take the pink bait, seducing her fella with a strip before wrapping her ample lips (top, for now_ round his unsurprisingly swollen johnson. She's clearly something of a blowie expert, and if it had been me she was co-starring with there probably wouldn't be much more to write about this scene, but her youngish stud hold out long enough to actually fuck her as well before spuffing over her shaven smoo.

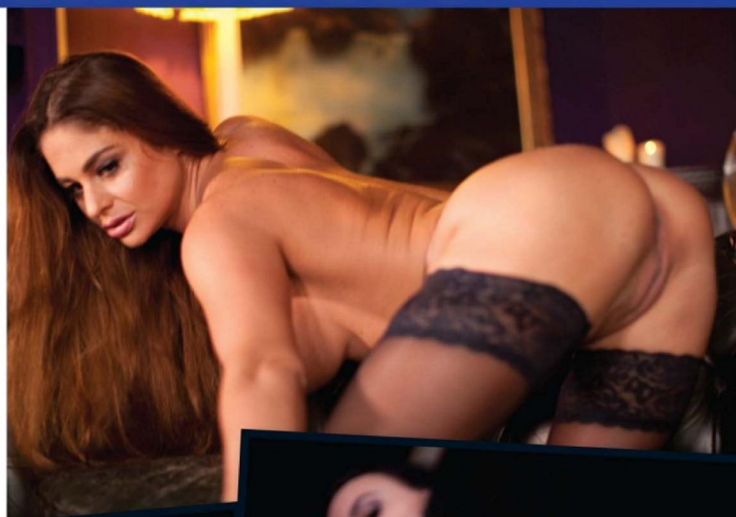

Be warned – if you don't want half your widescreen TV screen taken up with a giant hairless floppy cock and balls combo, the next pairing might not be for you. Thankfully Holly soon works her magic on said cock, and it doesn't remain floppy for too long. Thereafter she puts it to fine use, slurping and riding away merrily, ending up with a reverse cowgirl splurge, some of which is probably still stuck on the ceiling.

Cathy's clearly a slightly hornier MILF than her co-stars, because for her it's two cocks on the menu, as well as a dildo, so all three of her holes get a simultaneous poking. She looks quite the site splayed on a leather chair while cocks plunder pussy and arse together, although the real star of this scene is the waxed moustache sported by one of the studs.

There's more backdoor fun for blonde Holly, while Eve keeps it strictly frontal. Classy scruff for those with a penchant for 30-somethings... **Available from your local sex shop.**

3/5

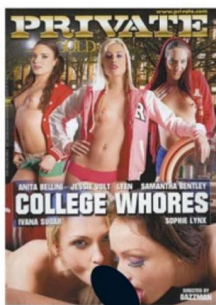

College Whores

Private

Cast: Anita Bellini, Jessie Volt, Lyen, Samantha Bentley, Ivana Sugar, Sophie Lynx.

College life is quite a bind, Samantha explains – trying to fit in all the booze and drugs and stuff. Still, what these girls seem most intent on doing is fitting in cocks – especially into their arses! Sam introduces French strumpet Jessie, who says she loves nothing more than a double penetration, and goes on to prove the point courtesy of a couple of the luckiest cocksmen in existence. This opening scene really is a blinder if you like your scruff to feature stunning girls getting very rude indeed – for a French babe she's not to shabby at sex talk in English, and wails like a banshee when she gets a fat cock wedged into both her holes. Filthy, filthy stuff.

Thereafter the intensity hardly lets up for a beat – Ivana and Sophie share a knob, both taking a furious bumming along the way, and then it's DP time again, this time for Lyen. And with more backdoor action for Anita and our very own Sam, this is porn turned up to 11 from start to finish. **Available from your local sex shop.**

Brides

Adult Channel

Cast: Trasey Lindsey, Caprice, Iwia, Lola, Valentina Nappi, Cayenne Klein, Tina Blade.

We don't doubt that for most girls there's something extra exciting about trying on your wedding dress for the first time, but for Trasey, who's having her outfit made by Caprice, there's an extra thrill thrown in on top – a lesbian bunk-up! Once she's got her gown on the girls don't waste much time in getting it off again, and set about poking fingers and tongues into each other in what proves to be a rather tasteful opener.

Iwia, racked by doubts, does a runner from her own wedding – only for her groom to chase after her and, by way of reconciliation, poke his knob down her throat. What follows is a touching make-up shag, thankfully out of sight of the officiating priest.

Other highlights include a white-bodied boning for lovely blonde Lola, and a venture round the back for Valentina's lucky secret beau. With a solid threesome to round things off, anyone with a hard spot for weddings will be well served by this offering. **Available from your local sex shop.**

CARLA

VINTAGE Men Only

Mmm, Carla Fernandez - there's a name that rolls off the tongue almost as well as we imagine the girl herself doing with that wondrous body of hers! Carla was wowing readers back in issue 58/13, no fewer than 21 years ago! And guess what, you can win a copy of the entire set! Just tell us the name of the model who's listed after Carla on Joanie Allum's website www.joanieallum.com and email your answers to Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey, KT12 3PU, or email us at menonly@paulraymond.com by May 2nd 2014!

HOLLY

Photos: Dazglam

Why look – we only went up to the loft room to see if we could find a spare pillow case, and we’ve gone and stumbled upon the gorgeous Holly Gibbons all dolled up in a saucy little outfit! And while we’re on the subject of pillow cases, don’t her wonderful pillows look fantastic encased in that silky basque? Mind you, they didn’t stay encased for too long...

So Holly, is it customary for you to be found pleasuring yourself in somebody’s occasional room of an afternoon?

“Not in somebody’s occasional room, no,” she protested, “although it probably wouldn’t be too unusual to find me pleasuring myself in my own room in the afternoon. I’m always horny first thing in the morning, so if I’ve got a fella around he’s generally able to put his morning glory to good use, and then I’m OK for a few hours. By about three o’clock, though, I’m generally starting to get a bit restless again, so if I’ve got the chance I’ll quite often sneak upstairs for a fiddle or a play with one of my favourite toys!”

Good for you – and we rather suspect these pics might inspire some of our readers to do the same!

JAYDEN

Photos: Twistys

Thought we might have run out of tasty treats for this issue? Well think again – If you're going to have one final trick up your sleeve, we can't think of one we'd rather have than flame-haired lovely Jayden Cole! And look, she's only gone and donned a saucy pair of split-crotch panties especially for us...

"Actually I haven't put them on especially for you at all! I tend to wear split crotch panties most of the time. It certainly makes life easier when you're feeling horny and fancy a quick fiddle, and there are one or two other benefits as well!"

Other benefits? Like what?

"Well, I get pretty turned-on whenever I ride on public transport – something to do with the way buses vibrate or something, I guess – so one of my hobbies is to sit opposite a guy or a hot girl – and casually let my legs fall open a bit. I love seeing the expression on their faces as they gradually realise that they can see my panties and then when it finally dawns on them that they're split and they can actually see my pussy lips as well!"

Wow, riding round on the bus in your neighbourhood must be quite popular with the locals. And what's another benefit?

"They're much easier to fuck in, of course!"

Coming next month

Alison

**Issue 79.05 on sale
May 2nd**

Can you guess what it was about Alison that caught our eye when she got in touch a few weeks back and asked if we thought she might be suitable for inclusion in the magazine? Wrong – it was her precise punctuation, something you rarely see in an email these days. Still, her boobs weren't half bad either, so we can't wait till next month so we can share them with you properly...
